

What is Diploma Plus?

To get an Adult High School Diploma, you need 170 credits in specific courses. They can be earned choosing one of the following options:

1. You may take all 34 courses.
2. You may take the GED in English which will waive 120 units, then take 50 more units which is 10 classes.*
3. You may take the GED in Spanish which will waive 100 units, then take 70 more units which is 12 classes.*

You may also get credits for courses that you took from 9th to 12th grade in the U.S. or in your own country.

The GED consists of the following tests:

- Lang Arts, Writing
- Social Science
- Science
- Lang Arts, Reading
- Mathematics

* Before you take the GED tests, we recommend that you take a GED practice test.
